Experience:

Food and Beverage Writer | Grand Central Magazine | Jan. 2016-May 2016

I wrote magazine-style features and informative pieces on food and beverage.

Staff Reporter | CM Life | Oct. 2016-Present

My work includes pitching stories related to my beats (Health Professions and Communication/Fine Arts) and writing stories for publication in print and online. I also covered events, such as the Fall 2016 commencement and several conferences.

Education:

Bachelor's of Science in Journalism | December 2018 (Expected) | Central Michigan University

My class history has covered data gathering, reporting, digital journalism, data gathering, and photojournalism. My experience with CM Life and Grand Central has taught the application of those skills in a real work setting.

Minor in Multimedia Design | December 2018 (Expected) | Central Michigan University

My minor covers the ability to form video, audio, graphics, and websites (basic HTML and CSS) with Adobe Creative Cloud.

Skills:

- **Skilled, Concise Reporting**
- **Multimedia Integration**
- **Timely in Regards to Deadlines**
- **Social Media Metrics**
- **Video Editing (Sony Vegas, Adobe Premiere)**
- **Photography and Editing (Photoshop)**
- **Graphic and Web Design**

Objective:

I have two objectives: To use fact-based and well-researched reporting to inform the people who read my work and to provide quality and creative work through my multimedia skills.

Multimedia is the standard in news, as the most successful publications have made use of those forms of media. I have these skills needed to stay one step ahead.
